

packed it to day as it
was raining. This
morning I put out the
coat and find the letter
and you may be satis-
fied I hated it bad but
it is over now and all
I can do is to do better
in the future and that
I will do if I can and you
will let me I hope to see
you soon I want to see
you bad and I have lots
to tell you. Please write
soon and let me hear from
you and tell me the news.
Please forgive the way
I have done I told you
that I loved you and I haven't
changed at all I will love
you dear friend and wife
